

Dear Parents,

If your child is on the internet, this is a meeting you won't want to miss.

**Communicating through the Internet
What Every Parent Should Know
Thursday, January 15th at 7pm
Rippowam Auditorium**

Did you know...

- colleges and employers review Social Networking Websites (myspace, facebook)?
- cyberbullying has legal implications?
- downloading some information from the internet may be illegal?
- your child's password may not be safe?

Join Scofield PTP and PT Council for an informative evening on communication in the internet age.

Special Agent Caroline Gilmore of the Cybercrimes unit of the FBI will be our guest speaker. Topics will include Social Networking Websites (facebook, myspace, etc.), Cyber Bullying, and Copyright Infringement.
